Ministry of Human Resource Development  
GOVERNMENT OF INDIA

## About the University

Hemvati Nandan Bahuguna Garhwal University was established as a State University in 1973. The University has subsequently been upgraded to Central University in 2009 and has been entrusted with new responsibilities. The University, nestled in the lap of Himalayan ranges in the Garhwal region of Uttarakhand, is a residential cum affiliating institution of higher learning. It has three Campuses distantly located from each other at places, namely, Srinagar, Pauri and Tehri. In all three campuses of the University, the undergraduate, post-graduate and research programmes are being offered in different disciplines. Birla Campus, Srinagar Garhwal is one of the three campuses of HNB Garhwal University. The University has been entrusted with new responsibilities to guide its students, faculty and all other stakeholders to achieve excellence in academics and strive for all round development of the students. Since its inception, the University has shown commitment towards regional and community development which is inherent in its teaching courses, research agenda and other outreach and extension initiatives.

## About Pandit Madan Mohan Malviya National Mission on Teachers and Teaching (PMMMNMTT)

Pandit Madan Mohan Malviya National Mission on Teachers and Teaching (PMMMNMTT), an initiative of MHRD, Govt. of India is envisaged to address comprehensively all issues related to teachers, teaching, teacher preparation and professional development. The Mission addresses, on the one hand, current and urgent issues such as supply of qualified teachers, attracting talent into teaching profession and raising the quality of teaching in schools and colleges. On the other, it is also

envisaged that the Teacher Mission would pursue long term goal of building a strong professional cadre of teachers by setting performance standards and creating top class institutional facilities for innovative teaching and professional development of teachers. One of the objectives of this mission is to meet the challenges for the teacher education system arising from the pre-service training to professional development and also the administration, leadership and management consequent corresponding increase in proficiency and quality in educating.

## INTERNATIONAL WEBINAR ON POST-COVID-19 EDUCATIONAL SCENARIO: PROSPECTS AND CHALLENGES

Like any other systems, education has also not remained untouched from the onslaught of COVID-19 pandemic and the biggest sufferer has been the student community all over the globe, which had to virtually remain indoors most of the times due to the lock downs announced by the states from time to time. Though online education has emerged as a vital alternative in recent times, the fact remains that a vast community of youth has been deprived of the mainstream systems of teaching, learning and evaluation due to the pandemic.

Nobody has any clue that for how long this situation is going to persist, however one thing is for sure that the life is not going to remain the same as it was. Since it is a global pandemic and challenges all over the globe are by and large identical. Need is therefore to foresee the situation and scenario post-COVID and plan urgently, *vis-a-vis*, educational scenario world over.

Keeping in view the urgency of the matter, the School of Education, HNB Garhwal (Central) University, Srinagar Garhwal, under the MHRD scheme of Pandit Madan Mohan

Malviya National Mission of Teachers and Teaching, is organizing a one day international webinar on 6th of June 2020, to develop an insight on the issues as cited above.
